Sir:

In response to the above noted Advisory office action Applicant respectfully submits the following response.

The Office Action states the response of feb 17 is rejected because;

"It does not argue the rejections or in any other way...."

This is not understood.

On Feb 17 2004, The Applicant filed a 13 page submission, in response to the Final

Action of Dec 18 2003..

This was filed by fax. I have the USPO automatic fax receipt here showing  
"15 pages received including cover page.."

Subsequently Applicant filed an appointment and a video.

These were filed by hand delivery to the USPO.

Is it possible that the 13 page response of Feb 17 was somehow misplaced in the  
file.??

10 It is respectfully requested that the Examiner may re-check this file and locate the  
13 page response of Feb 17 2004.

It would be appreciated if the Examiner could then call the undersigned and discuss  
the case.

Your respectfully.

Ejler Sorensen,
